

Bharatiya Vidya Bhavan's
Sardar Patel College of Professional Studies
One Year Diploma in Fashion Designing (FSD)

Do you think that, you are different than rest of the Crowd? Do you like to do smallest job (such as writing your name on books or decorating your exercise book) with great creativity? Do people always admire your 'Dress-Seance' or choice of the clothing? Do you always want, today is different than Yesterday, or tomorrow will be more exciting than today? If yes, than you are born as a 'Fashion Creator'. So take admission in Diploma in Fashion Designing for Lifelong satisfaction.

The world Fashion signifies change. There is no scope for copy or repetition of available style and shape. Fashion Designers create garments and accessories, so as to make them functional as well as attractive. The process begins with sketching the original idea on paper and shaping the pattern pieces, which make the garment. Much time of the student is spent in exploration, research and execution of their original ideas. Knowledge about fabric, weave, draping qualities, material, colour, design and changing trend. All this is practised in their practicals, monthly assignments as well as in final projects. Today Fashion Designers are highly paid and this career gives maximum job satisfaction.

Scope:- After completing this course you can work as Fashion Designer, Fashion Co-ordinator, Dress Designer, Pattern Maker, Merchandiser, etc. with export house Fabrication Unit, Buying Agent, Boutiqs, Garment manufacturers and may related organizations. Bhavan's College will provide assistance in finding Internship training as well as jobs

at Junior Level. Inputs will be provided to start your own business as freelance Designer, Operating from home with small investment.
