### Short Courses on COMPUTER FOR VISUAL MEDIA

BVBFTS is offering several short term courses in Computer for those who are working or studying at other college. In case you want to work in Visual Media (means with Photography, Radio, Television and Cyber Media) Computer knowledge is must. All courses are job oriented, or if you are already working, then there will be possibilities of getting new career, or you can work from home and become self employed. All courses are designed to give one-to-one practical training on Computer. It is not only on Sunday but you can select any day and time of your choice, so that it will not affect your present job or study.

### One year Diploma in LIFE MANAGEMENT - DLM

The life is a period between Birth (B) to Death (D). You know that, between B&D there is 'C', that is a Choice of action (C). Our life is nothing but result of our choices of action. In this course you learn to take correct decision every time. Please understand our ancient knowledge and life style. Today we don't know many occult sciences. This one year Diploma in Life Management is the best course available today to learn how to manage everything to enjoy satisfied life. This training includes basic knowledge of occult sciences such as, Astrology, Numerology, Palmistry, and Vastu Shastra, which helps us to take right decision at right time. You also learn about Asthang Yog, Naturopathy, and Hypnosis (सम्मोहन) etc. to maintain good health without doctors and medicines. And top of all, the spiritual philosophy (आध्यात्मिक तत्वज्ञान) to understand how this universe functions. You learn how to get connected with the GOD (परमात्मा) who is a creator of your-Self (आत्मा), and controller of your day to day achievements (कर्मा). The present education system at school and college does not provide this knowledge. So Bharatiya Vidya Bhavan is making attempt to teach all these "Bharatiya Vidyas" to make our life better and successful.
